

TRISTATE COALITION AGAINST GENOCIDE

JOIN US IN

DEMONSTRATION AGAINST MODI

ASIAN AMERICAN HOTEL OWNERS ASSOCIATION
has invited Chief Minister of Gujarat, Narinder Modi
& Justifies it on 2 counts

- 1) They are looking for business opportunities in Gujarat
- 2) They are claiming it to be their right as 90% of their 9000 members are Gujaratis.

Sh. Vajpayee was the Prime Minister

Modi was the Chief Minister at the time of 2002 genocide

Rioters moved with impunity

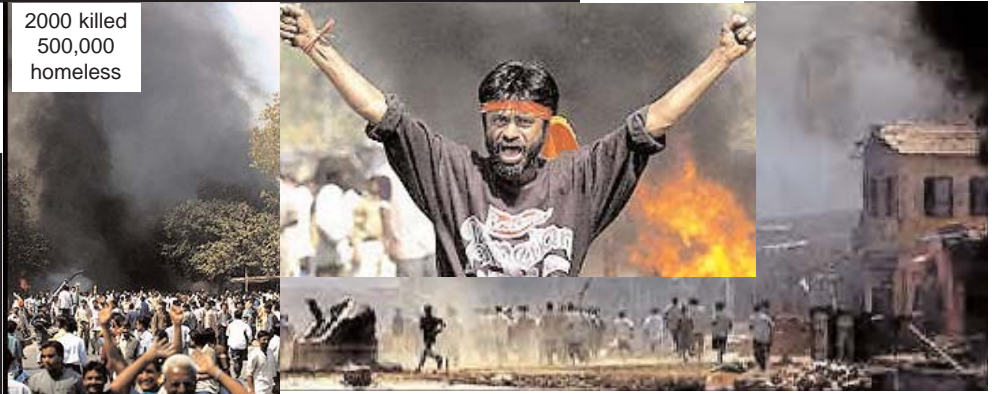

WE HAVE A QUESTION

We, the NRIS, are prospering in USA, simply because we have protection of pluralism. Then why shall we **honor a man** who has disturbed and keeps disturbing pluralism in India? (look at a few pages of history before you answer)

families rendered homeless

2000 killed
500,000
homeless

WHO DID ALL THIS?

We, Indians, have the duty to trust the first citizen of our country

Former President of India
K.R. Narayanan told the nation recently:

“there was a **“conspiracy”** between the BJP governments at the Centre and the state behind the 2002 Gujarat riots. There has been government participation in Gujarat riots”

WE ALL KNOW THAT MODI WAS THE GOVERNMENT AT THAT TIME

ONLY PLURALISM & SECULARISM ENSURE PEACE & ONLY PEACE ENSURES SOCIAL JUSTICE.

**COMMUNALISM LEADS TO DESTRUCTION & DEVASTATION
DON'T SUPPORT THE FORCES OF COMMUNALISM, FROM WHATEVER SOURCE THEY COME.**

**Come and demonstrate against genocide
on March 20th at 3PM in front of
Madison Square Garden, NYC!**

(33th Street and 7th Avenue)

We do not want you here! Modi brings disunity and shame to Indians in the US
Coalition Against Genocide is a broad based alliance of community organizations, secular groups, human rights organizations
